INTRODUCTION

Vehicle Related Services (VRS)

Welcome to the First Edition of the VRS Truck Body Panels catalogue. Inside, you will find a comprehensive range of replacement vehicle body panels, from Front Bumpers to Grills and Cab Doors to Top Guards, all designed and manufactured to meet the safety requirements required for your vehicle.

All of these parts are supplied through the Scania UK network, and all come with the benefits associated with that, including high product availability, parts delivery service, and a comprehensive parts warranty.

Developed by Scania, VRS offers a market leading range of all makes truck and trailer parts, lubricants, chemicals and workshop consumables, all available through its UK Dealer Network. By accessing such an extensive range in one place you can save time, effort and money every time you order.

Contact your nearest Scania dealer or visit our website to find out more.
