SCANIA SALES, ALL-ROUND AFTERSALES

TruckEast - an established Scania dealer, and one of the UK's largest independently owned commercial vehicle workshop operators.

Representing the Scania brand enables us to provide premium quality new and used vehicles for customers across our region. More than that, the Scania badge over our workshops sets the standard for the highest quality products and performance in both sales and aftersales.

Operating from 13 dealer points, right across the eastern counties of England, we provide service and specialist aftersales support for all-makes of HGV, passenger vehicles, vans and all types of agricultural and industrial vehicles. This means convenient, local access to a one-stop shop for servicing repairs and maintenance.
