SCANIA

R420

DEDICATED TO QUALITY USED TRUCKS.

When you buy a used truck from TruckEast, you can expect to find a variety of vehicles. Whilst we specialise in Scania trucks, we often have other pre-owned vehicles for sale as well.

You can also expect the best prepared vehicles. We always make sure that our used stock has been thoroughly checked and any maintenance carried out before it leaves our premises, with a minimum 3-month powertrain guarantee.

Finally, you can expect a professional service. Our dedicated Used Sales team will respond to your enquiries, and help you to get the most cost-effective deal on your next truck.

What's Available?

We house a selection of our stock at our Wellingborough and Stowmarket branches, all of which are viewable on our website:

www.truckeastusedvehicles.co.uk

Our stock is fast-moving and we always have an array of new vehicles arriving so if you can't see what you are looking for, give us a call - we may have something due to arrive shortly.
